

Rec Sports Championship

What Is It?

- The Rec Sports Championship was established to encourage participation in all intramural activities and special events. Play with or against your classmates, friends, and teachers!
- All you need to do is form a team at any point during the academic year and participate in as many sports as you can. (Just be sure to keep the same team name for the whole year, so we know who you are).
- You may enter as many teams as you would like in all intramural sports and special events. However, only the top team will receive championship points.

How Do We Score Points?

Team Participation*	Game Results	Playoff Results**	Sportsmanship
Intramural Sports = 50 Special Events = 25	Win = 10 Tie = 7 Loss = 5 Forfeit = (-10)	Champion = 30 Runner-Up = 15 Semi-Finals = 10	4.0 Game Rating = 1 point per game 4.0 Regular Season Average = 20 points

*Teams must finish the regular season to receive participation points.

** Teams with byes in the playoffs will receive 10 points for that round.

What Do We Win?

At the end of the academic year the winning Men's, Women's and CoRecreational teams will have their name displayed on a championship banner in the University Center. In addition to earning the respect and admiration of every intramural team, the members of each winning team will be presented with a great prize from the Office of Recreation and Wellness.
